

D SQUILOMETRE CHAMPION (LEARNING AT DISTANCE)

Squilometre Champions are treasured by Interwoven as **Super Participants**. You will receive 12 months of training through a distance learning package including expert instruction on oral history recordings, document research, community animation and event facilitation. You will have your own mentor and will be brought into a working group of other champions for peer support. You'll learn everything you need to know to animate your own neighbourhood to celebrate its place through positive Creative Placemaking. Currently this training costs £2000, a one-off, inclusive figure and we're happy to give you advice on how to apply for funding or sponsorship to support this. You'll also have the option of becoming a trainer (paid role) for new *Squilometre* Champions in the future.
