

O VOLUNTEER CREATIVES

We have volunteers who are creative specialists but prefer to offer their services on a voluntary basis so that they can cherry-pick the projects that excite them the most.

As a volunteer Creative you will work according to a Volunteering Agreement, attend induction and work within Interwoven's Policy framework including DBS clearance but may be introduced to a project by a Board member, a *Squillometre* champion or a Street Pod.

Time commitment per commission

Average hrs/week	Frequency	Duration
4	By arrangement	Average 1-2 months
