

E SQUILOMETRE CHAMPION (LEARNING FACE TO FACE)

Squilometre Champions are treasured by Interwoven as **Super Participants**. You will receive 12 months of training through a flexible learning package including expert instruction on oral history recordings, document research, community animation and event facilitation. The training is supported through observed practice and you'll have your own mentor. You'll also be brought into a working group of other champions for peer support. You'll learn everything you need to know to animate your own neighbourhood to celebrate its place through positive Creative Placemaking. Currently this training costs £5000, a one-off, inclusive figure but we're happy to give you advice on how to apply for funding or sponsorship to support this. You'll also have the option of becoming a trainer (paid role) for new *Squilometre* Champions in the future.
