

P **EVENT STEWARDS**

When a Street Pod brings their finale celebration to their neighbourhood they are guided to meet the requirements of Interwoven's Health and Safety Policy. This often means that extra hands are required to act as Event Stewards. A Steward's Briefing is always provided. Beyond this the commitment is a fun opportunity to meet and mix with Associate Artists and other volunteers, to attend street events and enjoy the product of the work of the Street Pods.

Time commitment

| Average hrs/week | Frequency | Duration |
|-------------------------|---------------------|-----------------|
| N/A | 2 or 3 times a year | 1 afternoon |
